SUMMARY

Mobile Developer with 1+ year of experience delivering scalable projects in collaborative teams. Strong Flutter experience and solid framework knowledge, developing high quality mobile applications and leveraging AI tools to enhance development efficiency. Strong organizational, problem solving, and teamwork skills. Passionate about learning and delivering creative solutions.

PROFESSIONAL EXPERIENCE

- Nov 2025 – Present **Instructor (Pearson)**
EAAC Center (Part time)
- Delivering Pearson courses, developing students' problem solving and analytical skills, assessing their performance, and teaching practical applications of AI tools to enhance learning and productivity.
- Feb 2026 – Aug 2026 **Mobile Developer Intern (Flutter)**
Elevate (Remote)
- Developed production level mobile applications using Flutter and Dart, applying Clean Architecture, MVVM/MVI, and BLoC/Cubit for scalable and maintainable solutions. Implemented RESTful APIs with Dio and Dependency Injection, leveraged AI tools to enhance development efficiency, and collaborated with development teams to deliver high quality applications.

EDUCATION

- Oct 2020 – Sep 2025 **Bachelor of Engineering in Computer and Communication Engineering.**
Faculty of Engineering, Alexandria University

CERTIFICATES

- Jul 2023 – Nov 2023 **Flutter Development Diploma** 
Route Academy

TECHINCAL SKILLS

Flutter

Dart - State Management (Provider, BLoC/Cubit) - APIs - Firebase (Auth, Firestore, Storage, Push Notifications, Crashlytics and Distribution) - Design Patterns - Clean Architecture - MVVM/MVI - Google Maps - Stripe - Ollama Model Integration - Unit & Widget Testing - Flavors

AI Tools

ChatGPT - Claude - GitHub Copilot - Ollama - Gemini - VS Code AI/Agent Mode - Antigravity

Other Technical Skills

Git - OOP - MySQL - Data Structure - Algorithms - HTML - CSS - JavaScript - CI/CD

SOFT SKILLS		
• Agile & Scrum Team Experience	• Team Leading	• Presentation Skills
• Teaching	• Communication Skills	• Planning
PROJECTS		
Jul 2026 – Aug 2026	Fitness App  Developed a fitness application featuring an AI powered chat model, meal planning, exercise guidance, and workout tracking. Integrated AI capabilities to provide personalized fitness related assistance.	
Jun 2026 – Jul 2026	Driver App  Developed a driver application for order management, including order acceptance, real-time map tracking, and order status updates. Integrated Firebase for backend services and implemented notifications service.	
May 2026 – Jun 2026	Flowery App  Developed an e-commerce application with order tracking, authentication, product management, cart functionality, and backend integration.	
Apr 2026 – May 2026	Exam App  Developed an exam application for taking timed quizzes, answering questions, and tracking exam scores and results.	
Sep 2024 – Jul 2025	InOne App  Developed a social media and review platform featuring community-driven reviews, AI-powered agents, personalized recommendations, and real-time voice and video calls powered by Agora.	
Oct 2023 – Nov 2023	Movies App  Developed a movie application for discovering movies, exploring details and reviews, searching titles, and receiving personalized recommendations.
